- Create a warm and inviting reception for community members, visitors, individual SOAHAC clients and families, in person and on the telephone.
- Collaborate as part of the interdisciplinary staff team for the best interest of the clients, their families and community wellness outcomes
- Provide assistance and support by processing referrals to specialists, laboratory and procedural appointments, and pharmacist inquiries as part of the interdisciplinary staff team
- Ensure proper, letters of notification of medical appointments and medical correspondence as part of the interdisciplinary staff team
- Maintain an efficient computerized client encounter system by inputting and updating information into Nightingale on Demand (NOD) and/ or other platforms on a regular basis
- Collect, retrieve and analyse data to prepare statistical reports for integrated staff teams, senior management and board
- Assist with coverage of other Medical Administration when required/ requested

Requirements:

- Graduate of a Medical Administrative Diploma or equivalent
- 3-5 years knowledge/ experience working in an Indigenous multi-service health and wellness environment preferred
- Supportive of both Indigenous and western models of wellness and health care
- Possess a thorough knowledge of medical terminology, anatomy and physiology
- Prior experience utilizing medical scheduling software a plus, preferably with an EMR (ideally Nightingale and/ or PS Suites)
- Extensive computer literacy
- Knowledge of both western and traditional models of care
- Knowledge of various Indigenous and mainstream community agencies, service providers, and resources
- Exceptional attention to detail and accuracy
- Ability to manage confidential and sensitive information
- Willingness to learn Indigenous Cultural Safety
- Willingness to assist other SOAHAC sites as needed
- Ability to work in a fast-paced environment
- Valid driver's license and/ or access to a reliable vehicle
- Ability to obtain/ maintain a current and clear police check is a condition of employment

This job may require additional responsibilities and duties as assigned by Southwest Ontario Aboriginal Health Access Centre.
