SOAHAC Providing COVID-19 Screening and Testing for First Nations, Métis and Inuit people

May 12, 2020

Effective today, the Southwest Ontario Aboriginal Health Access Centre (SOAHAC) is offering COVID-19 screening and testing to First Nation, Métis, and Inuit (FNMI) community members in Windsor. You do not need to be a client of SOAHAC.

All screening will be done over the phone and testing will be completed at SOAHAC by appointment only. If you think you have COVID-19:

- Call SOAHAC at 519-916-1755 (8:30am to 4:30pm)
- Screening is done on the telephone with a health care provider at SOAHAC
- Based on the screening, you will receive an appointment for testing date and time
- All testing is completed at SOAHAC-Windsor, 1405 Tecumseh Road West

We will provide the information you need and help you determine the next steps for your care. Please call if you have any questions, or if you think you require testing for COVID-19.

SOAHAC Community Screening & Testing Services
