- Computer proficiency including proven ability to use relevant technology (i.e. Microsoft Office Suite)
- Willingness to learn Indigenous Cultural Safety and other ongoing cultural learnings/ teachings
- First Aid/CPR certification an asset
- Up-to-date immunizations and records
- Must meet requirements set out by Canada Summer Jobs

Responsibilities may include the following:

- Participate in case management meetings with staff
- Navigating and coordinating care within mainstream care environments
- Work with youth and families in crisis and to provide appropriate supports
- Work within a community-based organization, with referrals to/from various agencies
- Development of culturally and age-appropriate group programs
- Facilitate the delivery and evaluation of group programming
- Report writing for CAS, school, physician or other agencies as required
- Conducting initial assessment for all assigned clients
- Generate and document client progress and individualized program plans and evaluate progress of treatment

This job may require additional responsibilities and duties as assigned by Southwest Ontario Aboriginal Health Access Centre.

This is a temporary summer student position which is funded by the Canada Summer Jobs Program and is subject to funding. Eligible applications must meet the criteria of the program to be considered.
